## Rotary Yoneyama Scholars' Alumni Nepal

March 2024. Issue No.1. Year 1.

### Message of the President

Dear Readers,  
It gives me immense pleasure to publish this First Issue of Newsletter of RYSAN. This is a significant step for us to share the activities of RYSAN among the national and international readers. It has done praiseworthy activities for the Nepalese society especially for the needy people. As being a First Issue, it has attempted to cover the historic aspects and major activities carried out from the date of establishment to till date. I hope that this Issue will be a milestone of RYSAN. As a President of RYSAN, I would like to thank the entire team of RYSAN for their cooperation extended to me. I look forward to seeing our Newsletter grow and evolve in the future.

**Prof. (Dr.) Tara Prasad Sapkota  
President

### ➤ Community Support Program (Khokana Toilet):

Sikali Chaur of Khokana is a historic, touristic and films shooting place. Hundreds of tourists visit there everyday for study and research. Local community celebrate different festivals and Jatras every month. Thousands of local peoples gather at Sikali Chaur to celebrate festivals and Jatras. There was no public toilet in the nearby area. Local people on the day of festivals and visitors were suffered due to lack of public toilet. Taking into consideration of the difficulties of visitors, RYSAN has constructed a public toilet at Ward No. 21 Khokana (Sikali Chaur) of Lalitpur Municipal Corporation (LMC) in collaboration with Ward No. 21 of Lalitpur Municipal Corporation. RYSAN has contributed Rs.1500,000.00 for the construction of public toilets with modern facilities. The toilet has built two stories.

## ➤ Construction of Agricultural Products Collection Center:

**Handover Program of Agricultural Products Collection Center located at Tipeni, Sindhupalchowk**

### Construction of Agricultural Products Collection Center:

RYSAN has funded to Tipeni Consumers Committee of Sindhupalchowk of Bagmati Province for the construction an Agricultural Products Collection Center at Bhotenamlang Panch Pokhari Thangpal Rural Municipality Ward No. 7, Tipeni in 2017-2018. The purpose of building Collection Center is for collecting local agricultural products with the objective of poverty reduction through raising income of local peoples. The selection of place and community was done through visiting the places and conducting interactions with the concerned stakeholders-political leaders, NGOs leaders, Social workers and School teachers' gatherings. Tipeni Consumers Committee had built the Collection Center and the land was provided by the local Chhatrapaleshwori Secondary School but due to landslides and COVID-19 pandemic, inauguration and handover couldn't do in time. Finally, RYSAN succeeded in inaugurating and handing over the collection center to the consumer group on 17th February, 2023.

## ➤ Support Agricultural Equipment and Seeds:

RYSAN supported for equipment and seeds to the farmers groups of Panch Pokhari Thangpal Rural Municipality. In addition, three trainers were appointed for a period of three months to train the local farmers to produce, packing and transportation of the green vegetables and fruits up to the newly constructed Collection Center.

## ➤ Scholarship Program:

RYSAN has been providing scholarships every year to the 30 students studying in different public schools from grade 1-12. These students were victims of the great earthquakes of April 2015. Till date 50 students have received RYSAN Scholarship and 20 out of 50 students have passed out from high school. RYSAN had accepted students from grade 4-12 from the FY 2074-2078. RYSAN has made fixed deposit in the banks and distributing scholarship from the interest money of the FD amount. The fund was collected from Rotary Yoneyama Memorial Foundation Tokyo, Japan and Members of RYSAN.
